

15 February 1980

MEMORANDUM FOR: Director of Central Intelligence

STAT FROM:

Deputy Director of Public Affairs

SUBJECT: Indianapolis Trip

Senator Bayh will greet you on your arrival at the Airport Sheraton Hotel and escort you to an informal luncheon where some 50 officials of the various veterans groups of Indiana will be present. Fred Jenson, Commander of American Legion-Indiana department, will sit with you as will Senator Bayh. You will be expected to make some informal comments to the entire group from your seat. Since several newspaper publishers will be present, your comments will be on the record. A list of luncheon attendees is attached.

After lunch Senator Bayh will lead you to the Golden Ballroom where you will speak for 1/2 hour to some 600-700 members of the Veterans organizations of Indiana. Another 1/2 hour is set aside for questions. Mrs. Arlene Hicks, Commander of the Womens' Auxiliary of the American Legion will be recognized to lead the group in the pledge of allegiance. Mr. Louis Lundberg, President of the Navy League of Indiana will introduce Senator Bayh who will introduce you.

Topics we expect to be of special interest to the group include:

- Current capability of CIA to do its job
- Oversight (particularly Congressional)
- Afghanistan/Iran
- Verification
- Soviet submarine capabilities (particularly report of new quiet, fast, deep-diving Soviet sub)

No press conferences are planned. I will be along to be
of whatever assistance I can.
